Details

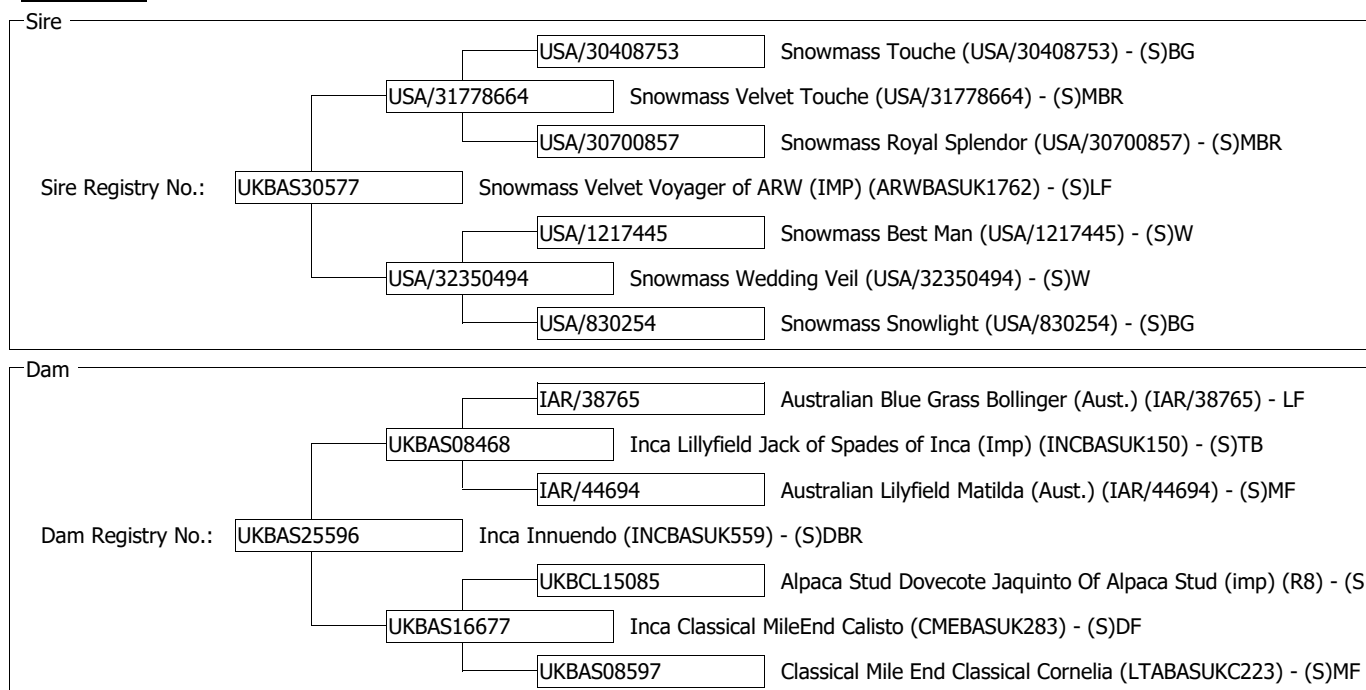

Herd Code:	ARW	Microchip No.:	977200009531074	
Colour:	(S)MF			Notes:
Eye Colour:	Brown			Incandescent arguably offers the highest genetic potential of all our yearlings. His Sire is imported Champion Snowmass Velvet Voyager, Supreme Champion and Champion on all shows entered, with 7 Progeny wins to his name. Incandescent's Dam is National Show Brown Champion Inca Innuendo who, amongst others, produced Inti (Double Supreme Champion + 5 Championship wins and 4 Reserve Championships) and Irma (Supreme Champion + 5 Championship wins and 1 Reserve Championship). Incandescent has largely not been shown as we were set to prove other juniors with lesser pedigrees so, even though fawn, he is a dark horse! Last shearing data: 15 micron, 3.3 SD. We have his exact genetics at home, but certainly nowhere else - unproven at this stage, so offered for £7,800.
