Notes:

Moonlight is a very pretty 1yr 2 months old white female whose Sire Jack the Lad holds no less than 28 championships, including a couple of Supreme Championships, Best of British bred, etc. Moonlight's Dam is also a show stopper, with 2 championships under her belt, no surprise since she is a daughter of international champion Snowmass Velvet Voyager. Moonlight's 1st fleece was measured at 14.3 microns with an SD of 2.8, with the latest fleece stats showing 15.9 with an SD of 3.6. Clearly a female with gret genetics, yet offered for sale for only £1,250, and also available with a mating to one of our top studs (your choice) for only £500 more.
