Pellegrina is a lovely white female, now 1 year 8 month old. Her Sire is one of the most successful males in the show circuit, namely Artwork Jack the Lad, multi-supreme champion. Dam is top Futurity purchase Bozdown Protégé. Latest fleece stats: 18.3 microns, 3.5 SD. Again, space considerations lead us to offer her for only £900, or with a mating to one of our top males for an additional £500.
